1. Your Use of Westernbid.Com

In order to use the Service, you must register for an account. Users may only hold one account. Our Services are only available to individuals or businesses that can form legally binding contracts under applicable law. Without limiting the foregoing, our Service is not available to minors (under 18), persons who are suspended from our Service, or to persons who present an unacceptable level of risk.

You agree to comply with all applicable U.S. and international laws, statutes, ordinances, regulations, contracts and applicable licenses regarding your use of our Services. Failure to comply with this provision shall constitute a material breach of this User Agreement by you.

2. The Legal Relationship between You and Western Bid.

Western Bid acts as a product reseller and product shipper to help fulfill your purchase order need. We might also act as your agent based upon your direction and your requests to use our Services by providing purchase, delivery, guarantee and dispute resolution services.

As a Buyer, by placing purchase orders and sending payments through the Service or adding funds to your balance, you appoint Western Bid as your agent to obtain the product on your behalf and to transfer the product to the recipient that you designate, subject to the terms and restrictions of this Agreement. If the balance in your account is not sufficient to fund your payment fully, Western Bid will obtain the remaining funds per your instructions. When you send a payment for a product, until that payment is accepted by the recipient (which may occur instantly), you remain the owner of those funds and Western Bid holds those funds and title to the product as your agent, but you will not be able to withdraw those funds or send the funds to any other recipient unless the initial transaction is cancelled. Through the Western Bid website, you can manage your account and may provide instructions to withdraw or increase the funds in your account or place a purchase order to complete a transaction.

As a Vendor, you are responsible for presenting to Western Bid correct detailed specifications and pictures of items being sold to Western Bid. You agree to grant us a non-exclusive, worldwide, royalty-free, perpetual, irrevocable, right to exercise the copyright, publicity, and database

rights you have for any description and pictures of products being sold to Western Bid.

You are responsible for timely shipping products directly to the end-Buyer addresses provided by Western Bid. You cannot fail to deliver items purchased from you, unless the buyer fails to meet the posted terms or you cannot authenticate the buyer's shipping address;

All products sold to Western Bid and shipped to end-Buyers must comply with U.S. and International Shipping Rules and Regulations and with Western Bid Prohibited and Restricted Items Policy published on Westernbid.com website. If any product issues arise, you must provide all necessary product and/or shipping information to Western Bid in timely manner. All product returns and exchanges must be processed through Western Bid and its facilities unless agreed otherwise.

3. Western Bid is a Product Reseller and Shipper.

Western Bid acts as a product reseller and shipper by creating, hosting, maintaining and providing our Service to you via the Internet. In the process of a transaction, Western Bid becomes the title holder of the product and guarantees its quality as described on the online auction. Western Bid also guarantees that the product will be delivered to the buyer. Consequently, our Service is comprised of product purchase, product delivery, product guarantee and buyer/seller dispute resolution features. All product dispute resolution issues must be directed to Western Bid exclusively, and all product returns and exchanges must be processed through Western Bid and its facilities in United States of America.
